

A screenshot of a Windows command prompt window. The title bar at the top reads "file:///C:/VS2008_VAPLProjects/APLPOC1/APLPOC1/TestHarness1/bin/Debug/TestHarness1.EXE". The window contains the following text:

```
Enter radius of the circle [e.g. 4.5]:  
4.5  
Area: 63.6172512351933
```

The text is displayed in a monospaced font on a black background. The window has standard Windows window controls (minimize, maximize, close) in the top right corner.
